

# BILL SEEKS TO MAKE DANCERS USE THEIR FEET

Measure at Albany Puts Ban on Catch-as-Catch-Can Terpsichore.

ALBANY, March 8.—Creation of a New York State public amusement commission of five members empowered to regulate all public dance halls, parks and gardens is called for in a bill introduced by Assemblyman William Duke, Jr., of Allegheny county, chairman of codes committee.

By the terms of the bill, all owners and lessees of public dance halls are required to obtain yearly certificates of registration in order to hold dances.

Presence of a policeman or matron at every dance to which the public is promiscuously invited is required. Appearance in immodest attire is barred. "Suggestive motions of the body" are banned.

Until changed, dances are required to conform to the rules laid down by the American National Association, masters of dancing. These regulations ban jazz music, cheek-to-cheek dancing, "neck holds," "immoral variations," and dancing "characterized by movements above the waist."

# HOTEL MAID LEAVES ESTATE OF \$15,500

NEW YORK, March 8.—Mrs. Mary Giles, who received \$15,500 a week as maid at the Waldorf-Astoria Hotel until her death last week, left an estate of \$15,500 with no will disposing of it, and without any known relatives to claim it. Her wealth, which became known only yesterday, was deposited in two banks and a safety deposit box. Mrs. Giles was fifty-five years old, and other hotel workers thought her a little queer because she seemed to have no acquaintances.

# SECRETARY DAVIS ACTIVE TO AVERT COAL STRIKE

With the strike vote of the bituminous coal miners rising higher and higher, the Administration today renewed its efforts to bring about a conference between the operators and miners to avert the threatened strike on April 1. Secretary of Labor Davis conferred with his aides who are familiar with the soft-coal situation.

Beyond saying that he hoped to bring about the desired conference, Secretary Davis was silent regarding the steps that are being taken to bring the two groups together. The menace of a soft-coal strike, which is daily growing greater, is causing concern in official circles, and Secretary Davis is expected to bring strong pressure to bear on the operators to agree to a conference.

# CHICAGO LAW ENFORCEMENT IS UNDER FIRE

Labor Slaying Trial Marked By Insinuated Charges of Corruption.

By International News Service.

CHICAGO, March 8.—A controversy that threatens to result in a widespread investigation of law enforcement conditions in Chicago has arisen today out of the trial of Thomas J. Walsh, labor leader, for the murder of George Gast, waiter. Gast and Adolph George, Jr., were shot down in George's wine room. Walsh already has been tried and acquitted of the murder.

The trial of Walsh for Gast's murder was scheduled to begin today before Judge John J. Sullivan, who presided at the first trial. State Attorney Crowe asked Chief Justice Scammon to assign the case to some other judge, charging prejudice against Judge Sullivan and Judge Scanlan ordered the case transferred to Judge Joseph Fitch.

Judge Sullivan refused to relinquish the case, contending that the chief justice has no authority to assign a case once it has been prepared for trial. He declares only the presiding judge can grant a change of venue.

State Attorney Crowe has asked Judge Scanlan to call a grand jury

for the investigation of the entire affair. Crowe alleges he will present evidence that perjury and bribery figured in the first trial of Walsh. Crowe likewise assailed the method of obtaining juries in this county and asserted it is practically impossible to obtain criminal convictions here.

Crowe made public a letter he had received threatening his life if he started any "fool talk of grand juries for labor guys."

# "COURTING" EXCUSE GIVEN FOR BACHELOR DELEGATES

ANNAPOLIS, March 8.—Bachelor members of the House of Delegates hereafter will keep to themselves the causes of their absence from the sessions of the house. The reason is explained in the following orders which were introduced by their conferees and approved by the house.

"Ordered, that Delegate Martin C. Voss be excused on account of looking for a wife." Introduced by Delegate Arthur G. Smith.

"Ordered, that Delegate Albert D. Mackey be excused on account of matrimony engagements." Introduced by Delegate Perry A. Gibson.

Mr. Voss, it was learned, was one of a party of two who went to Baltimore to hear the Chicago Grand Opera Company. A plain, ordinary "date" was responsible, it was said, for the absence of Mr. Mackey.
